vs.)	TENTATIVE
)	FINDINGS
CHRISTOPHER T. MALCOM,)	
)	
Defendant.)	

I am in receipt of the revised presentence investigation report and addendum in this case and the defendant's objection and downward departure motion (filing 44).

IT IS ORDERED that:

(1) The undersigned will consult and follow the Guidelines to the extent permitted and required by United States v. Booker, 125 S. Ct. 738 (2005). In this regard, the undersigned gives notice that, unless otherwise ordered, he will (a) give the advisory Guidelines substantial weight; (b) resolve all factual disputes relevant to sentencing by the greater weight of the evidence and without the aid of a jury; (c) impose upon the government the burden of proof on all Guideline-enhancements; (d) impose upon the defendant the burden of proof on all Guideline-mitigators; (e) depart from the advisory Guidelines, if appropriate, using pre-Booker departure theory; and (f) in cases where a departure using pre-Booker departure theory is not warranted, deviate or vary from the Guidelines only when there is a plainly superior, principled reason which justifies a sentence different than that called for by application of the advisory Guidelines.

(2) The defendant's objection (filing 44) for possession of a firearm in connection with another felony, because possession of the gun was for a lawful sporting or collection purpose and because the presentence report contradicts the plea agreement, and the defendant's motion for departure due to overstatement of criminal

history (filing 44) will be resolved at a one-hour evidentiary hearing, with sentencing to follow.

(3) Defendant Malcom's evidentiary hearing and sentencing are scheduled on Tuesday, August 16, 2005, from 12:00 noon - 1:00 p.m., before the undersigned United States District Judge, in Courtroom No. 1, United States Courthouse and Federal Building, 100 Centennial Mall North, Lincoln, Nebraska. Since this is a criminal case, the defendant shall be present unless excused by the court.

(4) The parties are herewith notified that my tentative findings are that the presentence report is otherwise correct in all respects.

(5) If **any** party wishes to challenge these tentative findings, said party shall, as soon as possible, but in any event at least five (5) business days before sentencing, file in the court file and serve upon opposing counsel and the court a motion challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the submission of evidentiary materials), (b) a brief as to the law and (c) if an evidentiary hearing is requested, a statement describing why an evidentiary hearing is necessary and how long such a hearing would take.

(6) Absent submission of the information required by paragraph 5 of this order, my tentative findings may become final.

(7) Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing.

August 2, 2005.
